Summary: After reading some great poems by Sumi and Jade, I was inspired to write my own. My first attempt, so it's probably bad.

Anyway, it's T.K's feelings when Matt leaves the group! PLEASE R/R!

You'll Always Be My Brother

You'll Always Be My Brother

It's my fault you went away

I believed myself grown up

But now, how I wish you had stayed

I miss you, my brother

You always were so strong

You are like no other

And you've been gone so long

So much fighting has taken it's toll

No longer am I an innocent child

Some may think it would leave you with a cold soul

Alone in this wild

Our group has split

Separated and scattered

And between you and me is now a rift

To think you once would have been flattered  
To have me need you  
As I do now  
And it makes me so blue  
I wonder how  
How could you just leave me this way?  
I realize I was wrong  
I was harsh that fateful day  
I thought I was the one who was strong  
I now know how much I need you  
When I'm missing my father and mother  
No matter what happens, or with who  
You'll always be my brother.

End  
file.
